I'm going to grandma's house today
To spend some time with her and play.
I'm really glad I get to go,
Because my grandma loves me so.
We always have fun things to do.
I'd like to share a few with you.

My grandpa loves to fish with me.
He's had his pole since he was three.
Throughout the day he tells me tales
of fish that were as big as whales.
He helps me out so I can learn
and says I'm best at catching worms.
